# In an Unguarded Moment

I want to be your lover, capture your heart,  
I want to tell you but I don't know where to start.  
I want to feel you beside me, want to watch you sleep,  
I want to walk with you hold you hand in the street,  
I want to see your face each time I wake.

*G/p D G/p D*  
I want to give, today I don't want to take,  
In an unguarded moment, cast it all to fate.

I know I'm a fool for you, guess I look pretty dumb,  
But I can't help myself now that we've begun.  
I want to talk to you babe with each breath I take,  
I want to touch you girl want to look at your face,  
I want to see you dance my heart away.

*I want to give, today...*

I want to be your lover, capture your heart,  
I want to tell you but I don't know where to start.  
I want to touch you girl in a secret place,  
I want to watch the movement on your face,  
I want to hear you sing your heart away.

*I want to give, today...*
