

E^b (Capo 3 - C) 2nd Version (with pick or strum) Drop D (E B, E)
Capo 1

In & Out of love with you.

An illusion of mine
Has eroded with time
I laid it on the line
In & out of love (with you)

Sometimes I stumbled
Once or twice I crumbled
But thru it all I tumbled

In & out of love with you
In & out of love with you
In & out of love with you

The hurdles & the fences
The child-like defences
The play upon the senses
In & out of love with you

(Love is) more than emotion
(Not a) fixed ego-notion
That rules every motion

In & out of love with you
In & out of love with you

In contrary motion
Looking for an ocean
In & out of love with you

Not to cling but let go
Love should make you feel whole
Working deep down in your soul

In & out of love with you
In & out of love with you

In & out of love with you (cover 1st parts of h/around)
at end or 2nd parts

Turnaround:
||: D A D A | G D G |
|: D A D A | G D G |
↑↑

honey with you
honey with you
honey with you
at end go round twice
