Put my pride in my pocket,
Shine a light on every twist of me,
On every turn I look.
Moving through,
Withholding nothing

I can put my hand on the book.

I look the world in the eye,
The river flows on,
I'm at peace Lord,
My fears fall away.

Now I feel the nearness,
The nearness of thee,
See the love in my baby's eyes,
Pick up my guitar & play.

Hello river, hello friend,
I'm here to tell you
The Devil's disappeared
I'm walking on the broad highway
Walking hand in hand
With the spirit of it all
Feel the spirit of it all
